Masks must be worn at all times, unless having a facial treatment. If you forget your mask, I can provide you with one for \$2.00.

You must have double dose vaccination or medical exemption certificate shown on arrival.

Please check in via the QR code and show proof of double vaccination.

If you have Covid 19, have been in contact with someone that has Covid 19 or Covid 19 symptoms. Please cancel your appointment and reschedule when you are cleared by NSW Health.

Even if you have not been feeling well or been in contact with someone who is unwell that isn't covid related, please reschedule.

There is NO penalty for rescheduling your appointment, you are doing the right thing and keeping everyone safe.

Please bring your own water bottle with you, if you happen to forget I have bottled water in the Salon. Please ask if you require as drink during your treatment.

Please maintain social distancing as much as you can before and after your treatment.

When you arrive for your appointment

Please come by yourself. Only one (1) person and myself will be permitted to enter the Salon for beauty treatments at all one time, unfortunately this means children will NOT be able to attend your appointment with you.

When you arrive at the Salon, please wait in your car and I will come out and let you know when I am ready to start your appointment.

As you enter the Salon please do not touch any door handles, I will close the door behind you and proceed through to the Salon.

Please place all your loose belongings into the plastic basket provided.

After your items have been placed in the basket, I will dispense the hand sanitiser for you, so that you can sanitize your hands before we start.

Please try to not touch your mouth, eyes or nose during the treatment, if possible.

Once your treatment has ended, if you would like to purchase retail products please refrain from touching the display and I will collect your products for you.

Please collect your items and pay for your service. Cash is accepted at this time as well as non-contacted payment.

***** If at any time mild symptoms are noticed during the service, treatment will be terminated and rescheduled at my disscression and payment will be required in full for any service not carried out completely.*
